## EDUCATION

**[freecodecamp.org] [responsive web design]**  
**[certification]**

[I am a certified responsive web designer from freeCodeCamp, a popular online platform that offers free courses and projects to learn web development. I completed the Responsive Web Design Certification, which taught me how to use HTML and CSS to create webpages that look good on any device.]

**[100devs] [web development]**

[I am a proud graduate of the #100Devs bootcamp, a free, online, and intensive program that taught me the skills and tools to become a web developer. Through #100Devs, I gained experience with HTML, CSS, JavaScript, and more]
